THAT Crocheting continues to be the most fascinating and popular form of Art Needlework is evidenced by the many requests we have received from all sources to hasten the publication of our Crochet Book No. 2. In preparing this book our purpose has been to show a sufficient variety of designs to be of interest to all. None of the patterns are too complicated for the average worker.

Many of the models were originated by the well known crochet expert and designer, Mrs. L. A. Smith, including the baby's Afghan on our title page, Child's Knit Coat and Tam on page 12, Ladies' Boudoir Slippers on page 13, Chair Cover of Scrim and Filet Crochet on page 32, Infant's Knit Afghan on page 34, Baby Bonnet in Blue and White and Baby Bonnet in All-over Filet Crochet on page 40, Knit Silk Breakfast Jacket on page 42, Hat Trimmed with Oriental Silk Crochet on page 43, Filet Crochet Door Panel on page 46, and Princess Eudora Sports Coat on page 55.

Our BOOK NO. 6 contains over fifty beautiful new designs made of the Corticelli Worsted Yarns, including many handsome models in sweaters, also accurate instructions for making knit garments for the Army and Navy. Price 15 cents, by mail 3 cents extra. See page 63 for contents of other Instruction Books.

MATERIALS

A crochet design, whether simple or elaborate, to be a work of art must be firmly and evenly made and care should be taken to have the stitches uniform. This is especially true of filet patterns.

Much depends upon the quality of the materials used. For the majority of the designs in this book we have recommended our Corticelli Mercerized Cordonnet. This six-cord cotton is made with our famous "cable laid" twist that gives the firm, even thread so desirable for edgings and laces for handkerchiefs, table linens, curtains, scarfs, lingerie, etc.

For sweaters, slippers, skating caps, neck scarfs, edgings and insertions for turkish towels and art linens, use Princess Pearl Crochet Cotton. It is a three-ply crochet thread and has a soft, highly mercerized finish.

Corticelli Sweater Silk is beautiful for sports coats, scarfs, skating caps, shawls, etc.

These materials are furnished in white and in fast colors. Our Color Card No. 37 shows, by means of small samples, the sizes and colors as well as the quality furnished in Corticelli and Princess Crochet and Embroidery Cottons. This card is a great convenience to the crochet worker and may be purchased for 10 cents from your dealer or mailed direct.

Chain: Make a slip loop on crochet needle. With the hook draw the thread through this loop. Continue, always drawing the thread through the last loop, to form a chain of the desired length. See illustration.

Slip Stitch: Put needle, holding one loop, through work and draw thread through, and pull loop thus made through first loop.

Single Crochet: Put needle, holding one loop, through work and draw thread through. This will leave two loops on needle. Throw thread over needle and draw through the two loops. See illustration.

Half Double Crochet: Throw thread once over needle, put needle into work and pull through; this leaves three loops on needle. Throw thread over needle and pull through three loops at once.

Double Crochet: With needle holding one loop, throw thread once over needle, put needle into work and draw thread through. This will leave three loops on needle. Throw thread once over needle and pull through two. Again throw thread over needle and pull through remaining two. See illustration.

Treble Crochet: Wind thread twice around needle, insert needle into work and pull thread through, leaving four loops on needle. Work off two at a time the same as for Double Crochet.

Double Treble: Wind thread three times around needle and insert into work and pull thread through, which will leave five loops on needle. Work off two at a time, the same as for Double Crochet.

Long Treble: Wind thread four times around needle and insert into work and pull thread through, which will leave six loops on needle. Work off two at a time the same as for Double Crochet.

Combination Treble: Wind thread twice around needle and insert into work and pull thread through, thread over needle and pull through two, thread over needle and pull through two, leaving two loops on the needle, thread over needle twice again, insert into work and pull through, thread over needle and pull through two, thread over and pull through two, leaving three stitches on the needle. Thread over and pull through three.

Picot: Make a chain. Skip three chain stitches and make a single crochet. Chain 4, catch back into the first chain with single crochet. Make about four single crochet stitches between picots.

Filet Crochet: Filet crochet consists of open and closed blocks or meshes. The foundation chain is always three times the number of blocks or meshes in the first row, plus six. Start the first row in the ninth chain from hook. At the end of a row always ch. 5 to turn when the next row begins with an open block, and ch. 3 to turn when the next row begins with a closed block. To add open meshes at the beginning of a row, work the required number of chain (which will be three times the number of meshes required) plus five for turning, and commence next row in ninth stitch from hook. To add open meshes at the end of a row, ch. 2, d. t. in the same place last d. c. was made; if more spaces are desired, again ch. 2, d. t. in middle of last d. t. To increase a row by adding one closed block at the beginning, ch. 6, d. c. in 4th st. from hook, d. c. in next 2 sts. To add a closed block at end of row, d. t. in base of d. c., (d. t. in base of d. t.) twice.

When the edge of filet crochet is in open mesh it is advisable to reinforce with a row of s. c. after the pattern is finished.

Do the opposite side in the same way. When foundation is reached, join in 4 strands of cotton, cover these with s. c. over cotton in stitches all the way around including the button loops, then drop 2 strands of the p. c., keeping 2 strands, cover these with 3 s. c. over p. c. in s. c. of preceding row, ch. 2, a Clones knot of 12 throws over and under the needle, ch. 2, ch. 2 beside the one that fastens the knot, miss 1 s. c., then 3 s. c. over p. c. in s. c., continue this all around the ornament. When the loop for the button is reached pass the p. c. covered with s. c. and the Clones knot over it, taking up the s. c. of preceding row as before.

The Clones knot requires a little practice but it is not difficult. It is made thus: Ch. 2, put the thread over the needle and under the ch. alternately 12 times, now draw the thread through these windings, draw up closely and take an extra st. to fasten.

To make the button: Ch. 3, 13 d. c. in 1st ch., sl. st. in ch. at end of row, ch. 1, then a row of s. c., the third row is d. c., then s. c. for the next row, adding a few extra st. to keep the work flat, then a row of d. c. in each 4th st.; reduce the number of st. to draw the cover together on the underside of button form.

Crocheted Coat Fastener No. 321 b

Coat Fastener No. 321 b

This ornamental coat fastener is made of "Princess" Pearl Crochet Cotton in black or in a color to match coat or suit; or it could be made of Corticelli Crochet and Knitting Silk, using "Princess" Pearl Crochet Cotton of the same color for padding. As the silk is not so heavy as the cotton, a greater

number of stitches must be used in copying the design in silk.

Materials required: 1 ball "Princess" Pearl Crochet Cotton Art. 83, Size 3 (used also for the padding). 1 wooden button mold 1 inch in diameter.

Instructions for Working

Wrap the cotton 6 times around a lead pencil, slip off, cover with 12 s. c., sl. st. in 1st st., make 2 more rows of s. c., adding an extra st. in every alternate st. of preceding row to keep the work flat. There should be 26 st. in last row. Join 2 strands of padding cotton, p. c., make 30 s. c. on p. c. alone, then 4 s. c. over p. c. in 4 s. c. of disc, then 6 s. c. on p. c. alone, then 2 s. c. over p. c. in the 7th and 8th s. c. of long loop, then 22 s. c. over p. c. alone, then 9 s. c. over p. c. in 9 s. c. of disc, then 2 loops on opposite side of disc, like first 2, then 9 s. c. over p. c. as on opposite side, drop p. c., ch. 3, miss 1 st. in loop, s. c. in next, ch. 3, miss 1 st., s. c. in next, continue these 3 ch. loops until within 4 st. of where long loops are joined, ch. 4, s. c. in corresponding st. of next long loop, continue these 3 ch. loops around to the corresponding place in the other pair of long loops; ch. 20 for loop to fasten over button on garment; s. c. in 4th st. of next loop, continue the 3 ch. loops around to where p. c. is dropped; here take up p. c. and over in the 3 ch. loops make 2 s. c. around to the long loop of 20 ch. for the button, cover this and the p. c. closely with s. c., catch in 1st st. of ch. of 20 with sl. st., continue the 2 s. c. over p. c. in 3 ch. loops around, sl. st. in 1st s. c., fasten off, leave long enough end to thread a needle and fasten p. c. securely.

To make the Button: Ch. 2, 7 s. c. in 1st st., make 5 rows of s. c., adding an extra st. in each of 4 rows to keep the work flat, the 5th will not need the extra st. as this is the row at the turn of the covering, a row of d. c. skipping 2 st. between each, then 3 or 4 s. c. to draw it together over the form for the button.

Ribbon Casing No. 321 c

This casing makes a very pretty trimming for children's dresses or for underwear. Use **Corticelli Mercerized Cordonnet** Art. 66, which may be obtained in any size desired, from 3 coarse to 80 fine, in white. It also comes in ecru, linen and in colors.

Ribbon Casing No. 321 c

Princess Filet Crochet Collar No. 322

For a heavy collar for a coat or suit this model is made of "Princess" Pearl Crochet Cotton, in a linen color, but if it is desired to make it of fine material for ornamenting linen dresses, etc., it can be made of **Corticelli Mercerized Cordonnet** making a correspondingly greater number of stitches in the collar in proportion to the smaller size of material used.

Materials required: "Princess" Pearl Crochet Cotton Art. 455, Size 5; 1 ball Linen No. 355; one No. 9 Crochet Hook.

Instructions for Working

Ch. 180, d. c. in 9th st. from hook, ch. 2, d. c. in 3d ch., ch. 2, d. c. in 3d ch., so on the length of ch.; there should be 58 meshes in 1st row, ch. 5, turn.

2d row: D. c. in d. c., ch. 2, d. c. in d. c., now a tuft made thus: 5 d. c. over 2 ch., take needle out, insert in 1st d. c. of the 5, draw loop of last d. c. made through back of work, ch. 1, d. c. in d. c., ch. 2, d. c. in d. c., another tuft, complete the row according to illustration; ch. 5, turn, d. c. in d. c., now a tuft; as the tufts must all puff on the right side of the work and the wrong side is toward the worker, when the 5 d. c. are made over the 2 ch., the needle taken out and inserted in 1st d. c., the loop must be drawn over the group of d. c. at the front instead of back as when working on the right side of the piece. After the st. is drawn through, ch. 1, d. c. in d. c., now a tuft is worked above the tuft of preceding row here, as the group of 5 d. c. cannot be worked over a 2 ch. it has to be done in this way, making 2 d. c. on one side and 3 d. c. on the other side of the sl. st. of the tuft below. Proceed then as previously described, with the sl. st., completing this row according to illustration.

Make 11 rows straight across, following description and illustration. The 12th row stop 3 meshes short of center making the last mesh a triangular one, which is done by not making any ch. st., but just a d. c. in next d. c., the last mesh before being the regular filet, ch. 3, turn.

13th row: D. c. in 2d d. c., this mesh will also be triangular, finish the row as usual, ch. 5, turn.

14th row: D. c. in d. c. as usual, only making this 2 meshes shorter than preceding one, the last mesh being triangular, ch. 3, turn.

15th row: Triangular mesh, finish row as usual, ch. 5, turn.

16th row: 2 meshes shorter than preceding row, ch. 3, turn.

17th row: D. c. in 2d d. c., each of the rest of the rows is one shorter than preceding until point is reached. After last mesh, when the row is reduced to one, ch. 5, fasten off.

Now take up other side of collar, and bring to a point in same way, ch. 5, as on 1st point, and now begin the edge: 4 s. c. in 4 st. of 5 ch., ch. 5, take hook out of st., insert in 1st s. c. and draw loop through, 2 s. c., picot of 4 ch., 3 s. c., 1 sl. st. over 5 ch., s. c. in foundation ch., 5 d. c. in first filet mesh, 2 s. c. in each of next 2 filet meshes, ch. 5, hook out, insert in 1st s. c., draw loop through, 2 s. c. over 5 ch., ch. 5, take out hook, insert in middle st. of 5 d. c. and draw loop through, ch. 5, take out hook, insert in 2d s. c. from picot in first 5 ch. loop, 2 s. c., picot, 3 s. c., 1 sl. st. over 5 ch., 2 s. c. over next 5 ch., ch. 5, hook out, insert in 2d s. c. from picot in 5 ch., draw through, 3 s. c., picot, 2 s. c., sl. st. over this 5 ch., now finish the point by covering the rest of the ch. along the side, 2 s. c., picot, 1 s. c., 1 sl. st. in next space, repeat in next, s. c. in filet mesh where last 2 s. c. are, 2 s. c. in each of next 2 meshes, to begin next point. It will be seen that 5 meshes furnish the foundation space for the points of the lace edge, except the ones on each side of the collar point at shoulder, where 4 meshes are used. Finish inside of collar with row of sl. st. to give smooth line around neck.

A cuff to go with this collar can be adapted from this illustration and description.

Child's Knit Coat or Sweater No. 324

With Child's Tam No. 328

Quite novel and very handsome is this little knit coat for a small child, shown with No. 328 Tam to match. The little ivory rings that serve as buttonholes to fasten on to tiny crocheted buttons give it a dainty touch of individuality. It could be worked either in "Princess" Pearl Crochet Cotton or Corticelli Sweater Silk. These materials come dyed in fast colors and retain their softness and lustre after numerous washings. The model was worked in a delightfully soft Baby Blue, with Blue and White border.

Materials required: For size 4: "Princess" Pearl Crochet Cotton Art. 453, Size 3, 6 balls Baby Blue No. 423, 1 ball White No. 474; 12 small ivory rings.

Instructions for Making

Cast on 83 stitches in blue. Knit 2 rows plain garter stitch. Knit 2 rows in white (2 rows make 1 rib), 4 rows blue, 2 rows white, 4 rows blue, 2 rows white, 4 rows blue. This makes 20 rows, which forms the border, then commence the pattern.

1st row: * Knit 5, purl 1, repeat from *, ending with knit 5.

2d row: Knit 6, purl 1, * knit 5, purl 1, repeat from * to the end of row, ending with knit 4.

Repeat these two rows, decreasing once at each end of the 9th row and every following 7th row until there are 59 sts. on the needle and 107 rows from bottom. (To decrease at the beginning of the row, knit the 2d and 3d sts. together; to decrease at the end of the row, knit the 2 sts. together before the end st. Care must be taken to keep the pattern.) When the stitches are decreased to 59, cast off 5 sts. each side for the armhole.

Knit 38 rows with no shaping, then decrease 1 st. at each end of every row until only 15 sts. remain on the needle. Cast these off for back of neck.

Right Front: Cast on 65 sts. Knit the 20 rows plain garter st. with the blue and white same as back, then the 8 rows of pattern same as back, but decrease on one side only, keeping the front edge straight until of the same length as back and there are 53 sts. and cast off 5 sts. for armhole.

Knit 28 rows with no shaping, continue with the pattern but knitting 19 sts. plain at the neck for 10 rows.

Cast off the 19 plain sts., then decrease 1 st. at each end until only 6 sts. remain on the needle, continue the decreasing, but at the shoulder only, until all the sts. are worked off.

The **Left Front** is worked the same.

Sleeves: Cast on 30 sts., knit 2 rows in blue, 2 in white, 4 in blue, 2 white, next row increase these sts. to 47. (To increase, knit into the stitch and before slipping it, knit again into the same loop at the back.) Now commence the pattern.

Repeat the first 2 rows of the pattern for the back, and increase 1 st. at each end of the row on the 9th and every following 8th row until there are 63 sts. on the needle, then knit 4 rows without increase. Cast off 3 sts. at the beginning of each row until there are only 13 sts. left on needle, cast these off.

Collar: Cast on 18 sts., knit 12 inches plain knitting, bind off.

Make cord of the blue and white, fasten 7 rings on coat at belt at intervals of about 4 inches and draw cord through, and sew a ring to each end of cord. Sew 3 rings on edge of right front for buttonholes; sew three small white crocheted buttons on left front, about 4 inches from edge.

Child's Sweater or Coat No. 324

Child's Knit Tam No. 328

This Tam is made in the same pattern as coat No. 324. The band for the head size measures 19 inches.

Knit $4\frac{3}{4}$ inches without increase, then decrease same as the increase at beginning, and break thread.

At each corner where the increase or decrease is, put the ending of each corner together and sew up to a point, then press and turn these points back on top of Tam and fasten with small white crocheted button and ring at each corner. Filet Band with Casing for Ribbon No. 332

A wide band of this kind, with casing for ribbon, can often be used to effectively finish a piece of work. The addition of a picot edge, such as shown on lower edge of Yoke No. 320, would make it an attractive band for a baby bonnet, worked either in white, blue or pink. A colored band on a cap of white lawn is a favored combination. For a pretty nightgown yoke use the band for the front and work the shoulders and back in plain diamond pattern.

Materials: Corticelli Mercerized Cordonnet Size 40 for a band three inches wide. This cotton comes in white, pink, blue, yellow and wistaria, in fast colors.

Crocheted Table Centerpiece No. 344

The handsome edge on this centerpiece is worked in "Princess" Pearl Crochet Cotton. This material is soft and lustrous, more loosely woven than cordonnet, and is very effective in large designs. If a cotton with a firm twist is preferred use **Corticelli Mercerized Cordonnet** Size 10. As this cotton is not quite so heavy as the "Princess" the edge will be narrower.

The edge is nine inches wide and the centerpiece measures about 31 inches in diameter when finished. Although elaborate, the pattern is mostly in open work and fills in rapidly.

Materials Required: "Princess" Pearl Crochet Cotton Size 5, 5 balls; crochet hook No. 3.

Instructions: Cut a circle of linen or damask that will measure 12 inches in diameter when finished with a narrow hem. Cover the hem with double crochet.

The handsome towel used on our cover design is made of 18 inch fine linen huckaback, decorated with filet insertion and embroidery. Other letters may be used in place of the three shown on towel. Select the desired initials from the alphabets on pages 21, 56, or 57. The diamond shape filet motifs are used as a foundation for a little embroidery in French knots. Make one large French knot in yellow for the center of the flower, then 2 rows of smaller knots in light blue, 1 row of pink and another row of blue. The green leaves are worked in simple bird's-eye stitch.

Materials required: Corticelli Mercerized Cordonnet, Size 40; No. 9 hook.

Instructions: The insertion is easily worked from Diagram No. 346 after reading the filet instructions on page 3. *Picot Edge.* Work the same as for Guest Towel No. 349.

Another attractive way of using the filet initials on towels is to crochet the letter in a filet square and insert as a medallion. Baste in place, about two inches above the hem, and buttonhole all around. Cut away the material underneath. Embroider a simple design at each side.

It will be wrong side out while the leg is being knitted, but turns over right side out when the work is completed.

To Knit the Leg. Knit 3 rounds plain, then purl 1, k. 1 for $2\frac{1}{2}$ inches. Now turn the stocking inside out and proceed to knit the leg by the instructions given below.

Purl 3 rounds, knit 15 rounds plain; then p. 1, k. 4 all around; knit this way for 3 inches. The narrowing begins at the center rib of the back of the stocking and ends at the center rib in the front of the stocking. Make the first or center back narrowing as follows: On one of the needles which begins, p. 1, k. 4, purl the purred stitch, k. 1, sl. 1, k. 1, pass slipped stitches over and k. 1. This completes the first narrowing and the rib now consists of 1 purred stitch and 3 plain ones only. All the narrowings are made the same way. *Knit 3 rounds. In the fourth round knit to the rib preceding the narrowed center rib and narrow that rib as before; then knit to the rib, following the narrowed center rib, and narrow it; also repeat from *, always narrowing in every fourth round at each side of the previous narrowing until all the ribs, including the front center one, are narrowed. After knitting 4 inches more the leg is complete, and you are ready to begin the strap or the foot.

To Knit the Strap. Divide the stitches into two parts for the strap, making the division at the center back and center front ribs. Beginning at the center back rib, *k. 1, n., knit across the needle till but 3 stitches are left, sl. and b., k. 1, turn, purl back across the needle; repeat three times from *. After this do not sl. and b. at the end of the needle but continue to narrow at the beginning of the needle each time in knitting across, till the number of stitches is decreased to 16. Then knit the other half of the strap to match, as follows: Beginning at the center front rib *k. 1, n., knit across the needle till but 3 stitches are left, sl. and b., k. 1, turn, purl back across the needle; repeat three times from *. After this do not narrow at the beginning of the needle, but continue to sl. and b. at the end of the needle till the stitches are decreased to 16. Now fold the right sides of the two parts just knitted together; k. 1, then k. 2 stitches (one from each needle) together and bind the stitch previously knitted over them; continue till all the stitches are bound off. Work in single crochet once around the edges of the strap to give extra strength.

To Knit the Foot, if preferred to the Strap. Divide the stitches so that there will be 34 stitches on one needle for the heel. Decrease 3 stitches, and keeping the center back stitch in the center of the heel, knit plain on the right side and purl back on the wrong side until there are 15 loops at each side. Then knit across 19 stitches, n., k. 1, turn; sl. 1, purl back 9 stitches, n., p. 1, turn, *sl. 1, k. across, knitting the stitch following the last narrowing together with the next of the stitches left on the needle; k. 1, turn; sl. 1, purl back and purl the stitch following the last narrowing together with the next stitch, purl 1; repeat from * until all the stitches on each side of the needle are used. Pick up the 15 loops on each side of the heel for stitches. Place the stitches of the instep on one needle and the stitches of the sole on two more needles; work to the beginning of the first sole needle, k. 1, n.; knit across to within 3 stitches of the end of

Gentleman's Silk Golf Hose No. 352

the 2d sole needle, n., k. 1; repeat the narrowing in every other round till the number of stitches is decreased by 18. Then k. 24 rounds without narrowing, continuing the ribs along the instep. Now knit one round narrowing 7 times across instep. Then knit $2\frac{1}{2}$ inches plain and narrow at the toe, as follows: Place half the stitches on the instep needle and the other half on the two sole needles; at the beginning of the instep needle k. 1, n., k. across to within 3 stitches of the end of the needle, n., k. 1; first sole needle k. 1, n., knit to within 3 stitches of the end of second sole needle, n., k. 1; narrow in this way in every other round until 12 stitches are left on the instep needle and 6 on each of the sole needles.

Bind off in this way, k. 1, then knit 2 stitches together (one from the sole and one from the instep needle) and bind the stitch previously knitted over them; continue till all the stitches are bound off.

When the sleeve has 60 rows bind off 60 sts. and on the remaining 60 sts. knit same length from sleeve to bottom as back. Make other side the same.

Knit belt, collar and cuffs on finer needles, collar and cuffs 2 inches wide, belt 36 inches long, 3 inches wide.

Maltese Lace Collar No. 366

Cut the collar any desired shape. If a sailor pattern is chosen it may be worn either flat or rolled. The material is organdie. The trimming is Maltese lace and medallions.

Materials required: Corticelli Mercerized Cordonnet, 1 ball size 50; a ⅝ inch and a ½ inch staple; No. 12 crochet hook.

Collar Trimmed with Maltese Lace No. 366

Instructions: Make a strip of Maltese or hairpin braid of sufficient length to go around edge of collar, allowing a little to take up in finishing. This is made as follows: Make a very loose chain stitch, then withdraw the needle from the loop and insert the left prong of the staple upwards from below and take hold of it with the thumb and middle finger of the left hand. The thread you work with should always be turned towards you. Then put the thread over the right prong from the front, put the needle

into the loop which is on the left prong, catch hold of the thread, draw it through the loop, throw the thread over the needle, draw it through the loop which is on the needle, then throw the thread from behind round the left prong, turn the prong to the right (the thread then surrounds the right prong); put the needle upwards from below into the loop which is on the left prong; throw the thread on to the needle, bring it back again, close the loops, and continue for the desired length. When the staple is covered with loops, slip them off, reinsert the two prongs into the fourth or fifth last loops, and continue the work.

Upper Edge: Remove the lace from the staple, and into every loop upon one side of the entire strip, make a slip stitch, and chain one between each sl. st. This forms the edge to sew to the collar. The outside edge is different. **Outside Edge:** Let each loop cross, the most of them will do so naturally, and then sl. st. into each loop, and chain two between each sl. st. The last time around s. c. into first two stitches; into the third stitch single crochet, then chain five and catch into same third stitch, chain seven and fasten in same place, then chain five and fasten in same stitch. Repeat this all around, with single crochet in two stitches, then the loops in the third. **Corner Medallions:** Use a half inch staple, making forty-three loops. Fasten this strip together, then baste to a piece of lawn in a circle, and fill the inside with needle-point. Any Battenberg stitch would do equally as well. The first time around take three of the loops together. When completed rip from the lawn and press, then fell it to the corner of collar with very fine thread, catching into each loop.

Materials required: Corticelli Crochet and Knitting Silk, 3 balls Variegated No. 1206; 3 jade rings, amber and white preferred.

Instructions: Make chain long enough to fit around crown of hat; turn, ch. 5, skip 4, fasten with s. c. in next chain; repeat across chain; turn, ch. 5, fasten with s. c. over chain of 5; repeat until there are 7 rows, break silk, fasten silk into top of 7th chain of 5, back from end and work to same point at opposite end, and on this work 14 rows, then divide into three even divisions and on each one work seven rows of the 5 chain, decreasing one loop of 5 ch. on each side of every row, fasten jade ring on end of each point. Simple Trimmings That are Quickly and Easily Made

A simple edge or insertion will give individuality to an otherwise plain piece of linen, and these four patterns are quickly and easily made. The width of the patterns will vary according to the size of cotton used; the width given in the instructions is for **Corticelli Mercerized Cordonnet** Size 40. Often a colored edge is desirable and this material comes in suitable shades of pink, blue, yellow and wistaria, fast colors, as well as in white, ecru and linen.

Narrow Edge No. 365

This pattern is $\frac{5}{8}$ of an inch wide, and is the edge used on our cover design. For handkerchiefs it should be worked in **Corticelli Mercerized Cordonnet** Size 100. For children's dresses, underwear, doilies, etc., use Size 40. It would make an effective trimming for towels worked in **Princess Pearl Cotton** Size 3, either in white or a color.

Instructions: Make a chain of the desired length. *2d row:* 1 d. c. in the 6th stitch counting back from last chain stitch, 3 d. c. in the next 3 stitches, *ch. 3, skip 3 ch. st., 5 d. c. in the next 5 ch. st.; repeat from *. Break off thread at the end of the row. *3d row:* 1 s. c. in the 3d d. c. of preceding row, ch. 6, *2 d. c. over chain of 3, 3 p., 2 d. c. over same ch. of 3, ch. 2, 1 s. c. in the 3d d. c., ch. 2, repeat from *.

Filet Edge No. 365 a

This pretty filet edge is $\frac{3}{4}$ of an inch wide and is suitable for towels, underwear, curtains, etc. Use **Corticelli Mercerized Cordonnet** Size 40.

Instructions: Make a chain long enough for the edge required, allowing a little for working up, turn. *2d row:* 7 d. c., ch. 2, skip 2 ch. of foundation, 1 d. c. in next stitch, ch. 2, skip 2 st., *d. c. in next 7 stitches, ch. 2, skip 2 st., d. c. in next st., ch. 2, skip 2; repeat from * to end of edge, turn. *3d row:* Ch. 5, d. c. in 4th d. c. of preceding row, ch. 2, skip 2 st., double crochet in next st.; repeat to end of edge, turn. *4th row:* 1 s. c. in first d. c., *ch. 5, 1 d. c. in next d. c., ch. 5, 1 sl. st. in next d. c., then sl. st. across the top of 2 holes to the d. c. after the second. Repeat from * to the end and fill the holes of both edges with s. c.

Insertion No. 365 b

This insertion is $\frac{3}{4}$ of an inch wide and matches Edge No. 364c. The two may be combined to decorate towels, curtains, dresser scarfs, etc. Use **Corticelli Mercerized Cordonnet** Size 40. For turkish towels it is effective in **Princess Pearl Crochet Cotton** Size 5, in white or a color to match the border of the towel.

Instructions: Ch. 16. *2d row:* 1 s. c. in 8th st. counting back from hook, 2 s. c. in the next 2 sts., ch. 4, skip 3 st., 3 s. c. in the last 3 st. of first row, turn. *3d row:* Ch. 6, 3 s. c. over ch. of 4, ch. 4, 3 s. c. over next ch., turn. *4th row:* *Ch. 6, 3 s. c. over ch. of 4, ch. 4, 3 s. c. over ch. of 6, turn; repeat from *.

Detail of Door Panel No. 368

Conventional Rose Centerpiece No. 369

BY FRANCIS M. HARRIS.

The handsome filet edge on this centerpiece has an irregular outline that is unusual and very effective. The pattern is worked back and forth in rows, mitering at each of four corners to give the round effect. This method involves the principles of widening and narrowing at both beginning and end of row and gives a result that may be obtained in no other way of working. The width of the edge varies from five inches at the narrow sections to seven inches at the widest parts. The linen center is about seventeen inches wide and the edge is joined to this with buttonhole stitch, which gives a very attractive finish.

Materials required: Corticelli Mercerized Cordonnet, Size 50; No. 12 hook.

Instructions: The following directions commence with the last row preceding the corner and continue to the center of one side. If the black and white pattern is followed during the progress of the work, there should be no difficulty in completing the centerpiece without further written directions.

Strip and Border for Bedspread No. 370

It was not at all unusual for our grandmothers to possess a treasured bedspread worked entirely of crochet with her own deft fingers, but the modern housekeeper prefers to obtain equally as effective and quicker results by combining strips and border of the crochet with other suitable materials. The band and border illustrated on this page may be used with linen, crash, or scrim, but if fine material is selected the work should be done with cordonnet instead of the Princess Pearl Crochet Cotton. The pearl cotton is very good to use with linen.

Materials: Princess Pearl Crochet Cotton, Art. 455, Size 5, one ball will make about $\frac{3}{4}$ of a yard of the strip or about $1\frac{1}{4}$ yards of border; steel hook No. 3.

To Work the Strip: Ch. 77. Beginning in the eighth stitch from the hook make 24 open meshes of filet. *2d row:* Same as 1st row. *3d row:* 10 open meshes, 4 closed, 10 open. *4th row:* 10 op., 1 cl., ch. 3, s.c. in third d.c. below, ch. 3, skip 2 d.c., 1 cl., 10 op. *5th row:* 10 op., 1 cl., ch. 2, d.c. in last d.c. of closed block below, d.c. in first d.c. of next closed block, ch. 2, block over closed block, 10 op.

6th row:

10 op., 4 cl., 10 op.

7th row:

8 op., 2 cl., ch. 3, s.c. in third d.c. below, ch. 3, skip 2 d.c., d.c. in next, ch. 3, skip 2 d.c., s.c. in next d.c., ch. 3, skip 2 d.c., 2 cl., 8 op. *8th row:* 8 op., 2 cl., ch. 3, d.c. in last d.c. of the 2 blocks and d.c. in single d.c. (see illustration), ch. 5, d.c. in single d.c. and d.c. in first d.c. of next block, ch. 2, 2 cl., 8 op. *9th row:* 6 op., 2 cl., ch. 3, s.c. in third d.c. below, ch. 3, d.c. in last d.c. of 2 blocks below, ch. 3, s.c. between 2 single d.c., ch. 3, d.c. in center of 5 ch., ch. 3, s.c. between next 2 single d.c., ch. 3, d.c. in first d.c. of block, ch. 3, s.c. in third d.c., ch. 3, 2

blocks over 2 blocks.

Follow the illustration for the remainder of the work. In the 19th row begin a small square of the pattern on each side of the center, as illustrated.

Strip for Bedspread No. 370

Border for Bedspread No. 370

A wider strip may be made by making two or three more rows of open meshes at each side, or two

rows of solid squares. The pattern may be made larger by making three solid blocks of four instead of two each side of the medallion.

To Work the Border: Ch. 31. At the upper edge end each row with t.c. diagonally across the last open mesh and begin the next row with 9 ch. and a mesh over the first 3 st. of ch. to take the place of the mesh decreased in the preceding row. *1st row:* 9 op. meshes, t.c. diagonally in third st. from last d.c. *2d row:* 10 op. *3d row:* 3 op., 6 cl., 2 op. *4th row:* 2 op., 1 cl., ch. 3, s.c. in third d.c. below, ch. 3, skip 2 d.c., d.c. in next, ch. 3, s.c. in third d.c., ch. 3, 1 solid block over solid block, 3 op., ch. 3, d.c. in last d.c., ch. 5, turn. *5th row:* D.c. in last d.c., 4 op., 1 solid, ch. 2, d.c. in last d.c. of the block and d.c. in single d.c., ch. 5, d.c. in single d.c., d.c. in first d.c. of next block, ch. 2, closed block over closed block, 2 open meshes. By following the illustration work to the 11th row. In this row work to the 6th mesh from lower edge and leave the 6th for the point. Work to the 13th row. In 13th and 14th rows make 6 open meshes at upper edge and in next row 6 closed blocks over the 6 open to begin the block of the pattern. Work to lower edge as seen in illustration. Take up as many squares as in the start (9) and work the other half of corner and continue the other side.

Finish the upper edge with a row of cross treble thus: Ch. 4, over twice, take stitch in 1st row, over and through 2 stitches, over again and take a stitch in beginning of next row, work stitches off the hook 2 at a time, ch. 2, d.c. at the crossing of the stitches, thus forming one cross treble. Repeat the cross trebles over each row of the edge.

Finish lower edge with a shell of 6 d.c. in a d.c., and s.c. in next d.c. At the point make 10 d.c. in the shell.

The width of the border may be increased in the same way as the strip.

Crocheted Belt Pins

A large pearl pin that is purchased for ten cents is used as the foundation. The work is in relief crochet, or carried out in simple crochet by substituting singles and doubles in place of the roll stitch. These pins may also be used as buttons on linen waists or suits. They have the advantage of being removable and one set will serve many purposes. When the covers become soiled they are easily ripped off and laundered.

Materials required: Corticelli Mercerized Cordonnet Size 50; No. 12 hook.

Design 372: This pattern is in simple crochet with a center of needlepoint. Wind the cotton around finger five times to form a ring. Fill the ring with s. c., inserting a loop of five sts. after each seventh s. c. The next time around, ch. 5 and catch into loop of preceding round, and repeat all the way around. Fill these chs. with s. c., making a ch. of three between each third and fourth st., to form a tiny loop. This completes the crocheted part of the medallion. **To make the center:** Baste the crochet on a piece of cotton, wrong side up, and fill it with needlepoint. Any Battenberg stitch will do equally well.

Design 373: This pattern is not so open and is worked in relief crochet. Ch. five, join, and fill this ring with rolls with thread over 12 times for each and each roll preceded by a ch. of three. The next time around fill these chs. with roll (thread over 5), and finish with s. c. to edge of pin.

Design 374: This pattern is also in relief crochet. Ch. 5 and join. Into this ring work three loops of four sts. each. Fill each loop with five rolls, first two rolls with thread over 5 times, next roll with thread over 6 times, and the last two rolls with thread over 5 times. Ch. three and into each st. of this ch. work a s. c., which forms the stem of the clover leaf. Sl. st. to the center of first leaf, ch. seven, catch to the center of next leaf, and repeat the ch. of seven until you are back at starting point. Fill each of these four chs. with roll sts., thread over 5. Finish with s. c. and loops the same as for first design.

Crocheted Button No. 375

The foundation for this pretty design is a flat pearl button three-fourths of an inch across.

Materials required: Corticelli Mercerized Cordonnet Size 50; No. 12 hook.

Instructions: Ch. eight and join in a ring. Ch. two and follow it with five roll sts., which are caught into the third of the ring nearest the needle. The first roll is 5 over, next 6 over, then 7 over, 6 over, 5 over, and catch down into the ring after the last one with a single. The other two leaves are made in exactly the same manner. After the third leaf, sl. st. to the center roll of next one, then ch. sufficient sts. to just reach the center roll of next leaf. In this case it took ten sts. Follow with two more chs. in same way. Then fill these chs. with singles. Into each of these singles work another row of singles and adjust the cover to the button; this must be done carefully, as there is so much of the openwork. Have a threaded needle and catch across the back a few times, then up through the eyes of the button. After this finish the button in the usual way, skipping a st. often so as to narrow it down. A few French knots in the center will cover the sewing, and also add to the appearance of the button.

Crocheted Boudoir Cap No. 376

The crown of the cap is of Irish crochet in Dogwood pattern. The remainder of the design is worked in knot stitch and Maltese crochet. The cap is lined with pink silk, stitched loosely so that it may be easily removed for laundering, and pink ribbon is run through the Maltese beading, ending with a rosette at the top. When laundering the cap remember that Maltese crochet should never be starched, or ironed while damp.

Materials required: Corticelli Mercerized Cordonnet, 3 balls, Size 80; No. 12 hook; a $\frac{7}{8}$ inch staple.

Instructions: The Irish knot in these instructions is made as follows: Turn at end of chain with loop on hook, wrap thread over and under chain and hook, draw loop through wraps, draw thread around knot and through loop, pulling tightly. Six wraps make a medium size knot.

To Make the Knot Stitch (used in pairs to make spider web): Draw the loop on hook to the length of chain, thread over hook and draw loop through, reach back of long loop and put hook under thread just drawn through, thread over and draw loop through, thread over and draw through both stitches.

Instructions for making Maltese braid are given on page 42, Collar No. 366. The braid will work without tangles if before it is taken from the staple a thread is run through the loops on each side close to the staple. A thread of color is more convenient.

To Work the Cap: Begin with the crown; make a group of 12 Irish knots, working round and round the first one. For the petal, ch. 7, l. t., ch. 2, t., ch. 2, t., ch. 2, l. t., turn. *2d row:* Ch. 6, t., ch. 3, d. c., ch. 3, d. c., ch. 3, t., ch. 3, t. *3d row:* Like 2d, except to ch. 4 in spaces instead of 3. *4th row:* Ch. 6, t. in middle of space in 3d row, ch. 2, t. in t. of 3d row, make 4 t., 4 d. c., 4 t., with 2 ch. in each space. *5th row:* Ch. 6, d. c., 3 ch., d. c., repeat twice, then 3 ch., s. c. twice, 3 ch., 4 d. c. four times; break thread. Make 3 more petals like the first. Edge all with s. c. Opposite 3d row join edges of petals with one p. each.

Go around the design with pairs of knot stitch, 8 or 9 prs. to each petal, with 2 in spaces between, making the whole number in the round a multiple of 6. Make 5 more rows of knot stitches. The crown should now be about 6 inches in diameter.

Make 6 yards of Maltese, or hairpin, braid, on a $\frac{7}{8}$ inch staple.

Begin to join braid to crown in this way: Make 1 k. st., s. c. in 2 loops of braid, k. st., s. c. in middle of next pr. knots. Repeat until 3 prs. of loops have been taken up. Then make 2 k. st., s. c. in next two loops of braid. Leave the crown and work down the braid until 9 prs. of loops have been taken up. Take up 4 loops at a time for 7 times, then 2 at a time for 6 times, turn. Make a long sl. st. to middle of last pr. of k. st., and fasten it with a short tight sl. st. Ch. 5, s. c. in middle of next pr. k. st., repeat 3 times; ch. 3, d. c. in next k. st., ch. 2, t. in next k. st., ch. 1, l. t. in k. st., repeat; ch. 1, t. in k. st., ch. 2, d. c. in k. st., ch. 2, s. c. in middle of last 5 ch., ch. 2, s. c. in k. st., repeat 3 times; 1 k. st., s. c. in next 2 loops of braid, k. st., s. c. in middle of opposite pr. k. st.; repeat to crown with s. c. in next point of crown. Attach 5 prs. of loops of braid to crown and proceed as before, repeating until the crown is surrounded with long points. To close, connect 2 prs. loops of braid with crown, fasten off thread, cut braid carefully and join the ends of the rib by sewing. (The braid may be cut without raveling in this way: grasp it in two places, a half-inch apart, with the two thumbs and fingers, stretch sharply, and cut in the stretched place.) Attach thread to outside of braid and go around with prs. of k. st., taking up two loops of braid each time except in the insides of the curves, where six sets of four are taken up in each. Make a second row on the first and a third. In the third row of k. st., when opposite the first set of 4 loops in the curve, ch. 4, d. c. in next k. st., ch. 2, d. c. in next k. st., repeat twice, ch. 4, s. c. in next k. st.

In the 4th row, when 3 points are left before the ch. in curve, ch. 1, t., ch. 4, s. c. in k. st., ch. 9, s. c. in k. st., repeat. Ch. 4, d. c. in d. c. of preceding row, ch. 1, t., repeat; ch. 1, d. c. on d. c. of preceding row, ch. 4, s. c. in 5th of 9 ch., repeat twice. Finish the row.

In the next row, at the inside of the curve, make 1 k. st., s. c. in opposite point, crossing above the ch. of preceding row. Connect two of the opposite points with k. st. and s. c. This will make four rows of k. st. outside the braid.

Attach the second row of braid, taking up 7 or 8 sets of two loops each in the hollows, and 10 to 12

Boudoi. Cap No. 376

sets of 4 each around the points; workers vary a little in the count on such a big piece of lace. Finish the row, tie off the thread and join the braid as before.

Attach thread to outside of braid. Make row of pairs of k. st., taking two loops of the braid each time except in the hollows of the curve, where 4 sets of 4 each should be taken. The second row is like the first except in the hollows. Opposite the last group of two loops make 1 k. st., d. c. in next k. st., ch. 2, t. in k. st., ch. 2, 1 t. in k. st., ch. 2, t. in k. st., ch. 2, d. c. in k. st., k. st., s. c. in next point. In 3d row, 1 k. st., d. c. in last point before ch., ch. 2, t. in t. of 2d row, repeat 4 times, ch. 2, d. c. in point. Work back and forth with k. st. until the hollow is rounded out. Proceed to next hollow, and so on until the work is round. Attach another row of braid with k. st., taking up alternately two and three loops. Fasten off and close like preceding rows. Attach the outer row of braid, taking up two loops each time. If a very full frill is preferred, take up two and three loops as in the preceding row. Attach the thread to the outer edge and make a round of pairs of k. st., taking up two loops each time. Follow with a row of picots to finish—ch. 7, p., ch. 2, s. c. in next k. st. The ribbon is drawn through the inner half of the third row of braid. Lay the finished work on a soft blanket and press gently on the wrong side with a moderately hot iron.

Silk Bonnet No. 377

This charming little silk bonnet is not so practical as those made of cordonnet, but very dainty for baby's "best," in cream with a blue silk lining, and the front decorated with pink and blue French knots. **Materials:** Corticelli Crochet Silk, 2 balls, Cream No. 1193.

Instructions: Make a ch. 9 inches long (or half the head size). On this work bead stitch as follows: Ch. 2, turn and use first st. to work on, hold it between second finger and thumb, swing hook half around and under, halfway back and pick up loop under, halfway back pick loop up under, continue in this way 8 times in all, thread over and pull through all 19 sts. and ch. 2. Make another bunch of stitches the same and fasten to foundation chain. Continue to end of row, always with two bunches of stitches between each fastening; ch. 6 to turn. **2d row:** Make cluster of two and fasten between the two clusters below. Continue until you have 11 inches, break thread. Make another piece the same.

Sew together up one side and half the width, then turn the front corners back three inches deep, slanting them back to where joined at back. Fasten corners down with pink and blue silk French knots, with a cluster of the knots at the edge of center front. Draw in for neck size and work an edge of one row of bead stitch all around the bonnet.

Line with blue or pink silk.

Lingerie Clasp No. 378

Dainty lingerie clasps in filet crochet are attractive and satisfactory substitutes for lingerie pins. The ends are finished with a tiny pink silk rosebud and close with snap fasteners.

Materials required: Corticelli Mercerized Cordonnet Size 70; No. 12 hook.

Instructions: Chain 13. Beginning in the fourth st. from hook make 4 d. c. in next 4 st., ch. 2, miss 2 ch., 4 d. c. in next 4 st., ch. 5, turn (d. c. in last d. c. of the first group, 2 d. c. in 2 ch., and d. c. in first d. c. of next group), ch. 2, d. c. in last d. c. of last group, ch. 3, turn, one solid block, one open block, one solid block, and repeat, following the illustration until the clasp is four inches long.

Make a rosebud of ribbon for the end and attach a snap fastener on the underside.

and one closed block, ch. 7, and repeat, making a 7 ch. across the end. For the next row, ch. 1, (4 d. c., p., 4 d. c.) in 7 ch., ch. 1, s. c. in center of space between the 7 ch., and repeat.

Princess Eudora Sports Coat No. 379

This model is crocheted in yellow Princess Pearl Crochet Cotton Size 3, and is quite a heavy sweater. From the illustration you will notice a narrow border or line of white, and this border is also carried around the cuffs and collar. White is also used for the fastening loops.

For a lighter weight garment, a beautiful coat can be made with Corticelli Sweater Silk or with Princess Pearl Crochet Cotton Size 5. In each case these instructions might have to be altered slightly in order to give the correct size. In both of these materials one may select for color a beautiful rose, blue, pink, yellow or lavender, as the fancy may dictate. Any one of these colors will make a very handsome sports coat.

The slight fullness at the back is held by a crocheted cord.

Materials required: Princess Pearl Crochet Cotton, Size 3; 18 balls Yellow No. 342.

Instructions: **Back:** Make ch. 24 inches long. *2d row:* S. c. in 4th ch., *ch. 1, skip 1, 1 s. c. in next st. Repeat from * across row, ch. 2, turn. *3d row:* Make 1 s. c. over ch. on row below, *ch. 1, 1 s. c. over next ch., and repeat from * across row; repeat this 3d row until work is 5 inches deep, then decrease 1 st. on each side every inch until work is 18 inches wide, which will reach the sleeve (if not as long as desired work longer without narrowing). Leave off 5 sts. each side for under-arm and work 6½ inches plain to reach back of neck; break cotton.

Fronts: Make ch. 18 inches long, and work back on ch. for 5 inches same as worked in back, then decrease 1 st. on under-arm side once every inch for same distance as back. Leave off 5 sts. at under-arm and decrease 1 st. every other row at under-arm for three times, then work back and forth (always keeping front straight) until there are 3 inches from beginning of armhole, and at front leave off 6 st. for lap at front and decrease 1 st. at neck every other row for four times (keeping the under-arm straight after decreasing the three times), then work straight until the distance from armhole measures one inch longer than back from armhole.

Sleeves: Make ch. 3 inches long and work back same st. as on coat. Then increase 1 st. at each side until size of armhole in coat, and join; turn, and work back in same st. and in next row decrease 1 st. at beginning of row, turn, and repeat this until sleeve is size around desired, and continue in length to length of arm.

Join coat together, and all around make band of brier stitch, the last row being white. (Brier stitch is putting the thread in front of needle and working a single crochet, bringing up the stitch back of thread.) Work around sleeves the same.

Collar: Make ch. 14 inches long and work in same st. as coat, until band is $1\frac{1}{2}$ inches wide, then widen 1 st. at center and each end until collar is 4 or 5 inches deep; finish with one row of brier stitch.

Cords: With one thread each of color and white make chain length desired, then make sl. st. into each ch. all the way back.

Balls: Crochet balls and fill with cotton. Run cord through back of coat at waist line and sew on cords after drawing coat to size desired.

Crochet same cord for frogs for fastening coat together.

Alphabet No. 380—Initials for Filet Crochet or Cross Stitch Embroidery

Filet Chicken Insert No. 381

A filet initial, either alone or combined with embroidery, is an effective way of marking towels, table linen, or bedroom linen. Count how many meshes in length and width are required for the initial and plan to have it come in the center of the filet square. On a towel place the insert one and a half inches above the hem and embroider a conventional design at each side.

The chicken insert is attractive for a child's bib or to decorate the nursery linens. Repeat the motif for an insertion.

These patterns can be easily worked from the black and white drawings and reference to the instructions for filet crochet on page 3.

Venetian Crocheted Bedspread No. 382

By the Misses Freudberg, The Embroidery Shop, 827 Eleventh St., N. W., Washington, D. C.

The material in this very handsome bedspread is heavy scrim paneling that comes attractively stitched in imitation drawnwork, especially for this purpose. If one is willing to spend the time to have the spread made entirely by hand, hemstitched linen panels would be most effective. The illustration shows the center of the spread embroidered with wreaths of daisies and forget-me-nots in colors, worked in French knots and bird's-eye stitch. This may be omitted if desired, as the beautiful crocheted edge and insertion give sufficient decoration.

Materials required: Corticelli Mercerized Cordonnet, 13 balls, Size 30; No. 11 hook. With this size cotton the insertion and edge will be about two inches wide.

Instructions for Edge: Ch. 7, turn, make 6 s. c. in ch. of 7, ch. 1, turn, make 6 s. c., continue for six rows, ch. 6, and make another square, repeat making four squares in all, joining so the stitches run the same way. Crocheted Roman Silk Bag No. 383

Ever since the days of the crusades bags have been a useful and ornamental part of the feminine toilette. The bags for this season are greatly varied in design and sizes.

The newest vogue is a bag crocheted in silk in the popular Roman colors. The upper part is of heavy, dark green silk, to match the predominating color in the crochet. A dainty evening bag is made by using, instead of these colors, delicate pastel shades to harmonize with the gown.

Materials required: Corticelli Crochet Silk, 1 ball each Nos. 1032.8 Green, 1078.9 Rose, 1036.7 Purple, 612 Black, 914.6 Blue, 952 Tan, 1064 Garnet.

1st row: With green ch. 6 and join in ring, ch. 3, which equals 1 d. c. (each succeeding row begins with 3 ch. for the height), 23 d. c. in ring. *2d row:* 1 d. c. in each d. c. of first row. Join last d. c. with sl. st. to first 3 ch. made to complete the row. Each row following consists of d. c., increasing at regular intervals to widen. *3d row:* Increase by putting 2 d. c. in every 3d st. *4th row:* Same as 3d row. *5th row:* D. c. in every second st. *6th row:* 2 d. c. in every sixth st. *7th row:* Same as 6th row. *8th row:* Plain. *9th row:* 2 d. c. in every sixth st. *10th row:* Plain. *11th row:* Increase every sixth st. *12th row:* Plain. *13th row:* Increase every sixth st. *14th and 15th rows:* Plain. *16th row:* Begin with Rose, plain. *17th row:* Purple, increase every fifth st. *18th row:* Purple, plain. *19th and 20th rows:* Black, plain. *21st row:* Red, increase every sixth st. *22d row:* Red, plain. *23d row:* Blue, plain. *24th row:* Blue, increase every sixth st. *25th row:* Tan, plain. *26th and 27th rows:* Blue, plain. *28th and 29th rows:* Red, plain. *30th and 31st rows:* Black, plain. *32d, 33d and 34th rows:* Green, plain. *35th and 36th rows:* Black, plain. *37th and 38th rows:* Red, plain. *39th and 40th rows:* Blue, plain. *41st row:* Tan, plain. *42d and 43d rows:* Blue, plain. *44th and 45th rows:* Red, plain. *46th and 47th rows:* Black, plain. *48th row:* Purple, plain. *49th and 50th rows:* Rose, plain.

To make tassel: Lower part: Use all the colors except the green, wind all together 80 times around a four-inch book, then wind with a single thread of green 200 times. This leaves tassel when finished with green as the outside color. For top of tassel, crochet ball of green 70 stitches in widest part. Fill with cotton, slip over other part of tassel and flatten so that it will not be perfectly round. Fasten to bottom of bag.

Finish the top of the bag with a four-inch band of silk and line the entire bag with the same silk. Gather the lining at the bottom to fit the bag and finish with a covered ball. A small pocket is placed about halfway up the inside of the bag. Gather this pocket at the bottom and finish the top with a half-inch hem, double stitched, to form a casing for elastic. While the pocket is small, this extra fullness gives plenty of room. Sew tiny gilt rings to the top edge of the bag, at intervals of about $1\frac{1}{2}$ inches, for cord.

Brainerd & Armstrong Crochet Silk may if desired be used for this bag selecting 1 ball each B. & A. Green No. 2086, Rose No. 2471, Purple No. 4052a, Blue No. 4078, Tan No. 2680, Garnet No. 2067 and Black.

Knit With The Beautiful *Corticelli* FINGERING YARNS

All Corticelli yarns are sold under a broad guarantee which appears on the label surrounding every ball. This guarantee protects you fully in the use of Corticelli Yarns. It reads as follows:—

"All Corticelli Fingering Yarns are made from the choicest long fibre wools, scientifically selected for their evenness, elasticity, and extreme loftiness. We guarantee them to be pure and true to name, perfect in spin and twist, and to be dyed with chemicals free from adulteration."

FLOSOLA

Used in high class, light weight sweaters for ladies, misses, and children, also for vests, scarfs, shawls, etc. This yarn is the same as the imported Shetland Floss made from a long staple wiry wool, thus producing a lofty yarn, which when knit will not crush and mat like a soft stock, but will retain its shape and have the same springy effect as when first knit. If washed properly it will still retain its lustre and elasticity.

Put up in 1 ounce balls. Made in White and 41 solid colors.

KNITOLA

Very soft and pliable, yet its "long staple" prevents it from stretching after the garment has been used for a time. It will not grow harsh from repeated washings, and lends itself to all knitting where durability, firmness, and this soft texture are desired. It should be used for sweaters, stockings, helmets, automobile caps and bonnets, scarfs, wristlets, afghans, soldiers' wear, and, in fact, it is THE yarn for general use.

Put up in 2 ounce balls. Made in White and 36 solid colors. Also in 4 Special Mixture shades.

TEZOLA

Far superior to and quite different from the many so-called Teazle yarns on the market. When brushed up it does not have a shaggy appearance, but a long, thick nap similar to Angora fur. If one desires to use it for plain knitting it works up equally well, for it has a soft, full, loose twist, and will knit up into a much handsomer looking garment than any other Teazle wool.

Put up in 1 ounce balls. Made in White and 20 solid colors. Also in 2 Special Mixture shades.

ANGOLA

A new yarn for fancy knitting, made from the best wool, combined with the fleece of the Angora goat, hence the name "Angola." It has a high lustre, with a finish almost as soft and beautiful as silk, and is intended for very high class garments suitable for dressy wear. It can be brushed, if desired, but its beauty is greater when left in its original state. Nothing finer can be had for high class sweaters and coats, but it is not intended for garments subjected to rough wear.

Put up in 1 ounce balls. Made in White and 19 solid colors.

Corticelli Sweater Silk Art. 212

Art. 212

This new product of the Corticelli Silk Mills is the daintiest and most beautiful silk for crocheting, embroidering and general knitting purposes introduced for a long time.

For years American women who delight in making pretty pieces of fancy work have been looking for something better than cotton or worsted yarn for garments of quality.

There is a decided advantage in using Corticelli Sweater Silk, for these reasons—it is pure silk (not a composition of wood, cotton or vegetable fibres). It has a "soft finish" which is especially desirable.

Put up in balls containing full 1 1/4 ounces of silk, in the following colors: White 474; Cream 476; Baby Blue 423; Blue 34; Pink 300; Deep Pink 237; Linen 355; Green 46; Dark Lavender 93; Yellow 344; Old Gold 985.9; Grey 384; Medium Grey 388; Royal Purple 1041; Kelly Green 552; Cactus 298; Beauty Rose 640; Chartreuse 1005; Apple Green 1000.5, and Black 470.

The Corticelli Kitten Playing with a Spool of Corticelli Silk

The most beautiful and useful fiber given us by Nature is Silk. Nothing compares with it for beauty, elasticity, durability, and strength. Silk manufacturing is an Art. It requires the highest human skill and patience to bring forth from the tiny silk cocoons such a perfect and beautifully finished product as Corticelli Silk—smooth, even, elastic, and round, and dyed in colors to match all the tints of the rainbow.

As Artists require the best brushes and pigments, so the Needleworker should insist upon buying the kind of silk which is everywhere recognized as the best. Corticelli has won 40 Highest Awards for superiority.

Look! please, for the Corticelli "Kitten-head" trade-mark on the end of each spool and skein of silk you buy. Write us about the silk you need for any purpose. To answer your questions will be a pleasure.

Corticelli Crochet Cottons

For Crochet purposes many prefer to use mercerized cotton for laces, edgings, insertions, etc. To meet this demand from those who have always looked for Corticelli quality, the Corticelli Silk Mills have put on the market the "Corticelli Mercerized Cottons" and "Princess" brands of Crochet and Embroidery Cottons. The enormous demand for these goods is the best proof of their instant and unqualified success.
