EDGINGS AND INSERTIONS

Explanation of Stitches

CHAIN (ch). Make a slip knot on needle, draw thread through this loop. Again draw thread through this second loop and continue till ch is of length required.

SLIP STITCH (sl st). Put hook through work at st indicated in directions; draw thread through work and loop on needle at same time.

DOUBLE (d). Put hook through work, thread over hook and draw through, making two loops on needle; thread over again and draw through both loops.

HALF TREBLE (h t). Thread over needle, hook through work, thread over and draw through, giving three sts on needle, thread over and draw through the three sts at once.

TREBLE (t). Thread over the needle, hook through work, thread over and draw through, giving three sts on needle; thread over, draw through two, over again and draw through remaining two.

DOUBLE TREBLE (d t). Thread over twice, hook through work, thread over and draw through, giving four sts on needle, * thread over and draw through two; repeat from * twice.

LONG TREBLE (l t). Thread over three times, hook through work, thread over and draw through, giving five sts on needle, thread over and work all off by twos.

PICOT (p). A p is formed on a ch by joining the last four sts (or any given number) in a ring by working a d in the fourth st, counting from hook. In making p on d around the edge of motifs, the d is worked in the top of the last d.

Directions

Materials.—All of the edgings shown in this book were made of No. 100 Cordonnet crochet cotton excepting those in which the number of cotton is specified in the directions.

For No. 100 cotton use a No. 13 hook, for No. 70 cotton a No. 12 hook; for coarser cottons use a hook that will carry the thread easily without splitting it.

Cover Design.—Directions for the Insertion on the cover of this book will be found on page 46.

FIG. 12. EDGING. See page 5

Figure 16.—Make a chain as long as you wish your lace to be, allowing $2\frac{1}{4}$ inches more in length on foundation chain for every yard. *1st row*—Make 1 d t (thread over twice) in 5th st from hook, 1 d t in each of next 3 sts, keeping the last loop of each st on the hook till you have them all made, then put thread over the hook and draw through all the loops at once, then insert the hook under the 1st d t made, and make a d around all three d t at the top to secure them closely; ch 4, 1 d t in each of the next 3 sts, you will then have four loops on your needle, thread over hook and draw through all four at once. One d around all three at the top, inserting the hook under the 4 ch. Repeat the length of foundation chain.

FIG. 13. EDGING. See page 5

Without breaking thread, ch 5, 1 d in the end of foundation ch, ch 5, 1 d t between the 1st and 2d d t of last row, 1 d t between next 2 d t, 1 d t between the clusters, thread over needle and draw through all the loops, 1 d around them all at the top, * ch 4, 1 d t between next 2 d t, 1 d t between next 2, 1 d t between clusters, thread over, draw through all the loops, 1 d around the top of them. st *. Make from * to * three times altogether. * Five ch, turn, 1 t in second mesh below, 3 ch, 1 t in same mesh, 3 ch, 1 t in same mesh, 3 ch, 1 t in same mesh *. Repeat from * to * for the desired length.

Figure 18.—A lace that is like Fig. 20 as far as the 2d row. The 3d row is omitted from the upper edge, and the 3d row below is, 3 ch over each group of 4 t, 1 d over the next chain, a picot of 3 ch, 1 d over same chain.

Figure 19.—Make foundation of Fig. 17, as above, and when the required length is made, turn and double crochet all along one edge, making 4 d in the smaller meshes and 6 or 7 d in the larger meshes of 5 ch. The other edge is to be overcast to the material and will fit any edge, straight, circular, or around a corner. If preferred, a chain and double crochet or treble crochet can be made along this edge to sew to the material, but it is not quite so adjustable, unless the chains are adapted to the curves or corners.

Figure 20.—An appliqué with picots at both edges. After making the foundation (Fig. 17) the required length, make, 1st row—A group of 4 t over each scallop of 5 ch with 2 ch between groups, along each edge. 2d row—Like 1st. 3d row—Make 1 d over the middle of group of 4 t, 1 t over next chain, 3 ch, 1 t over same chain, picot of 3 ch, 3 ch, 1 t over same chain.

Through these 2 sts the 3 picots are made. Chain 6, 1 d through the 2 sts, twice, ch 5, 1 d in the same place, 8 t, 1 d under sp, 1 d, 7 t, 1 d under next sp, 1 d, 6 t, under next sp, turn. 5th row—Chain 9, 1 d in 4th t of first group, ch 7, 1 d in 4th t of second group, ch 7, 1 d in 4th t of last group. Repeat from 2d row for length.

HEADING.—Without breaking thread ch 4, 1 t under first sp, ch 3, 1 t under next sp, ch 3, 1 t in last t of group, inserting hook under the two loops of st at the top. Repeat to end of row.

Figure 22.—Chain 13. * 1st row—Skip 3 sts on ch, 10 t in next 10 sts, taking up only 1 l of sts, turn. 2d row—(Chain 5, skip 2 t, 1 d in 3d t) 3 times, ch 5, 1 d in centre stitch of 3 ch at end, ch 5, 1 d in same st; ch 5, 1 d between 1st and 2d t, taking up two loops of st, * (ch 5, skip 2 t, 1 d in 3d t) 3 times, turn. 3d row—Chain 5, 1 d in first loop (l), (ch 5, 1 d in next l), 3 times, ** ch 5, 1 t in centre l, ch 4, make a close picot (p) by inserting hook in t, using the two upper loops, putting hook down through top of 1st l, and out through side of 2d one, thread over hook, and make a sl st through the 2 l's and st

This completes the wheel motif; now, without breaking thread, join the two finished motifs together as follows: Place the two right sides together, having the loop of rose where the last loop was fastened off, opposite the last loop on wheel, ch 3, 1 sl st in d fastening last loop of rose motif, ch 3, 1 d in loop on wheel, ch 3, 1 d in next loop on rose. Continue alternating 3 ch, 1 d on wheel and rose till four loops have been joined on each, the last joining d, being on the wheel. All the motifs are to be joined in the same manner. When you have a sufficient number joined, fasten thread with 1 d in sixth free loop from joining, beginning at right-hand upper corner of work. **1st row**—Chain 5, 1 d in next loop, repeat four times more, * ch 5, make a cluster of 3 d t under loop where the motifs were joined, leaving two loops on needle, make another cluster of 3 d t in centre, under the d joining motifs, you now have three loops on needle; make a third cluster under next loop, leaving four loops on needle; thread over and draw through two loops, thread over and draw through remaining three loops; ch 5, 1 d in next loop, make four more 5-ch loops across the top of wheel; repeat from * to the end of row, turn. **2d row**—Chain 6, 1 d under first loop (ch 5, 1 d under next loop), repeat to end of row, turn. **3d row**—Slip stitch up 3 sts on 5-ch loop, ch 5, one cluster of 4 d t, counting 5 ch as 1st d t, under first loop (ch 3, another

cluster of 4 d t under next loop), repeat to end of row, turn. *4th row*—Chain 6, 1 d under 3 ch between clusters, ch 5, 1 d under next 3 ch, to end of row, turn. *5th row*—Chain 7, 1 t in first loop, (ch 4, 1 t in next loop) to end of row; break thread, and fasten off. Go back to beginning of row, make 1 d in 7 ch, ** ch 5, 1 d under next 4-ch loop, ch 5, 1 d in next loop, ch 1, 1 t under next loop, (ch 1, 1 t in same loop) repeat six times more, 1 d under next 4-ch loop, turn. *2d row*—Chain 5, 1 t between 1st and 2d t, * ch 2, 1 t between next t, repeat from * six more times, 1 d under next loop at bottom, turn. *3d row*—Chain 5, make clusters of 4 d t with 3 ch

between each cluster, under each 2 ch around scallop, making eight clusters in all, ch 3, 1 d under 4 ch of preceding row at bottom, turn. *4th row*—Chain 5, 1 d under 3 ch preceding first cluster, ch 5, 1 d under next 3 ch, repeat 5-ch loops around scallop, making 5 ch, 1 d under 5 ch at beginning of d t, ch 3, 1 d under 4 ch at bottom, turn. *5th row*—Chain 6, 1 d under 3 ch, ch 5, 1 d under next loop, repeat 5-ch loops around scallop, ch 3, 1 d under 4 ch at bottom. This completes the first scallop, repeat from ** to end of row.

In all scallops after the first one, at the end of the 4th row, after making the last 5 ch, 1 d at end of d t cluster, make 1 ch, 1 d under 4-ch loop at bottom. Then to connect the scallops, ch 3, 1 d under the opposite 5-ch loop on first or preceding scallop, then turn, ch 3, 1 d under first 5-ch loop on second scallop, and complete the row like 5th row of first scallop. Finish the upper edge of lace the same as lower from the 1st row after the motifs are all joined, where you join in your thread under sixth free loop, to where you break thread and fasten off.

Figure 39.—Use No. 40 Cordonnet crochet cotton. In first loop on medallion of braid make 3 d t, retaining last loop of each st on the hook, (thread over hook, pull through 2 loops) 4 times, thread over and pull through last 3 loops; ch 3, and repeat in each of the next 5 loops. This makes 6 petals in all with 3 ch between each. Chain 3, make 1 sl st through the 1st 3 loops on next medallion, 1 sl st through next 3 loops, drawing the st up closely; this makes an inverted flower; ch 3, repeat from * till you have the length desired, ending with the inverted flower. Chain 3, 1 sl st in the end of this last medallion, ch 3; repeat from * to end of row on second side of braid. Chain 3, 1 sl st in end of medallion. *2d row*—Chain 3, sl st along the d t sts to 1st ch of 3, under this work ** 1 d, 2 t, ch 3, 1 sl st in last t, to form a picot (p), 2 t, 1 d; repeat in each 3-ch space to end of medallion, 1 d under next 3 ch, ch 7, 1 d under next 3 ch,

close to cluster of d t; repeat from ** to end of row. Chain 6, 1 d under 3 ch at end of ch 6, 1 d under 3 ch close to d t. Under each of next five 3-ch spaces, work 1 d, 3 t, 1 d, ch 2, 1 d t in centre of inverted flower, ch 2, 1 d under 3 ch close to cluster of d t; repeat to end of row, ending with 1 d t in centre of inverted flower. *3d row*—Chain 8, turn, * 1 d t in first scallop, ch 3, 1 t in next scallop, ch 3, 1 d in centre scallop, ch 3, 1 t in next, ch 3, 1 d t in last scallop; ch 1, 1 l t (thread over 3 times), in d t below, ch 1; repeat from * in 3d row to end of row, turn. *4th row*—Chain 6, * 1 t on next t, (ch 3, 1 t on next t), twice, ch 3, 1 d t on next d t, ch 3, miss centre 1 t below and make 1 d t on next d t, ch 3, 1 t on next t; repeat from * to end of row and break thread. *5th row*—Begin at right-hand end and make 4 t under each sp, with 1 ch between to end of row.

Figure 1 (page 2). Centrepiece. DIRECTIONS FOR USING THE TABLES.—Each horizontal row of figures represents one entire row of crochet. Every row is read from left to right. When you come to the end of a row of figures, turn your crochet. The letters at the top of each column tell what the figures in that column represent. Thus a "4" in the column under a "T" represents 4 treble crochet, while if it were under an "S" it would mean 4 spaces. Throughout these directions, "S" means "spaces," and "T" means "treble crochet." To start the crochet, a chain must be made. For the edging it should be 32 stitches, and for first space, make the first t in 8th st from hook. For the insertion work 45 ch, and for the centre, 105 ch. Use 2 ch for each space and 5 when turning.

No specific dimensions can be given for cutting out the linen. It should be cut to fit the crochet. The best way is to lay the crochet on the linen the way it is to go, and mark it, cut out the linen, allowing 1/4 inch for a hem. Hem it and sew the crochet in.

Use cream linen. For the crochet use unbleached linen machine thread No. 40 with a No. 11 steel crochet needle. INSERTION FOR CENTREPIECE.— Each of these tables, Nos. 1 to 5 inclusive, represents a section of the crochet, and, when worked, one after another, in the following order, will make a strip of insertion: No. 4, No. 1, No. 2, No. 1, No. 3, No. 1, No. 5. Break the thread. Join on again, 13 spaces from the break, and crochet from table No. 4, fastening into the side of the strip and working toward the end. Repeat the patterns in the above order. When you have made 4 strips all joined together at right angles, sew the two ends together and you will have a square of insertion.

Figure 43. Edging for Centrepiece. To TURN A CORNER IN THE CROCHETED EDGING.— After completing the pattern for crocheted edging (Fig. 43) once, you turn a corner according to the following directions:

Seven S, 7 T, chain 5, turn, 1 T in 4th stitch from needle, make 1 T in next st, then make 4 T more, 5 S, 4 T, 2 S, turn.

Slip stitch back 1 space, make chain of 5, fasten a T in the first T, 15 T more, 2 S, 4 T, chain 5, turn.

One T in 4th stitch from needle, make 1 T in next stitch, then make 4 T more, 1 S, 16 T, 1 S, turn.

SMALL MEDALLION.

—Chain 6, join, 10 d over ring, join. *2d row*—Work 1 d into the next d of preceding row, ch 5, 1 d into the same st, 1 d into next d below, ch 1, turn; 2 d into d below, ch 1, turn; * 2 d into 1st d below, 1 d into each remaining d, ch 1, turn; repeat from * until you have 7 d in the row, then work one more d into last d below, ch 1, and sl st down the side of triangle back to ring. Repeat from beginning of 2d row. There should be five triangles with points turning centreward, and five picots.

Pick up cord and over it work 1 d, 1 t, 1 ch, and 1 d into each loop of preceding row. Adjust to a perfect two-thirds of a circle by means of the cord and fasten off carefully. Baste the medallion and circle on the pattern and join with twisted bars and knots.

After all motifs are basted in place on the cambric pattern, join with twisted bars and picots. For picot, work a loose button-hole st (over bar), into which work 6 button-hole sts. Repeat on the other side from beginning of border.

left, swing work so that the thread comes underneath the chain, then make a sl st through both sts on hook; without turning, ch 4, 1 d t in ring, (ch 1, 1 d t in ring) 6 times. Repeat from * for length required, then ch 1 and fill out last ring with 8 d t with 1 ch between each. After last d t, insert hook in 3d st of 4 ch, then through 3d st on 17 ch, and make 1 d through both sts together, ** ch 2, skip 2 sts (there should be 5 sts of the 17 ch left), 1 d in 3d st on 17 ch, ch 2, 1 d through two upper threads of last t on next ring, 1 d t in ring, ch 1, and make 7 d t in ring, with 1 ch between each. Repeat from ** to end of row, joining with 1 sl st in 3d st of 4 ch. *Next row*—* Chain 5, 1 d under 1 ch between t, ch 5, 1 d under next 1 ch, to end of half circle. There will be seven loops (1) on the first half circle, but only 6 on each subsequent one till the last one on the row, which will have 7, ch 3, 1 d under first 1 ch in next circle. Repeat from * to end of row. Fill out last circle with 5-ch loops under each 1 ch, then ch 3, 1 d under first 1 ch in next circle, and repeat from * to end of row as on first side, and break thread.

HEADING.—Join thread in the 6th l to the right of the 3 ch between circles, ch 8, miss 1 l, 1 d in next l, ch 3, 1 d in next l, * ch 5, miss 1 l, thread over hook twice, insert in next l, thread over hook, pull through 1, (thread over hook, pull through 2 l's) twice, thread over hook twice, insert in opposite l, thread over, pull through 1, (thread over hook, pull through 2 l's) twice, thread over, pull through remaining 3 loops. This forms a cross treble st. Chain 5, miss 1 l, 1 d in next, ch 3, 1 d in next l, repeat from * to end of row; at end, ch 5, miss 1 l, 1 d t in next; break thread. *2d row*—Begin at right-hand side again, fasten thread in 3d st of 8 ch, ch 5, miss 2 sts on chain, 1 t in next st, * ch 2, 1 t in d on l, ch 2, 1 t on next d, ch 2, miss 2, 1 t in 3d st of 5 ch, ch 2, 1 t on cross treble, ch 2, 1 t in 3d st of 5 ch, repeat from * to end. As all the rows are worked in the same way, decreasing 1 d in the group at the right-hand end, and 2 d in the others, and increasing in the sps in each scallop, it is unnecessary to give directions for each row in detail. Continue working till you have but 3 d between each scallop, and 9 3-ch sps each side of the centre sp (which is the 10th sp). *Last row*—Make 1 d in d at right-hand end, 1 d in 1st sp, * ch 8, 1 d in 6th st from hook for a picot (p), ch 2, 1 d in next sp, repeat to end of scallop. Repeat from * to end of row, break thread, and fasten off all the loose threads at the end and beginning of the rows.
