FILET CROCHET STITCHES

Single Stitch (s st). Having one loop on the needle, insert the needle in the stitch directed, draw the working thread through this stitch, making two on the needle, then draw the working thread through these two loops

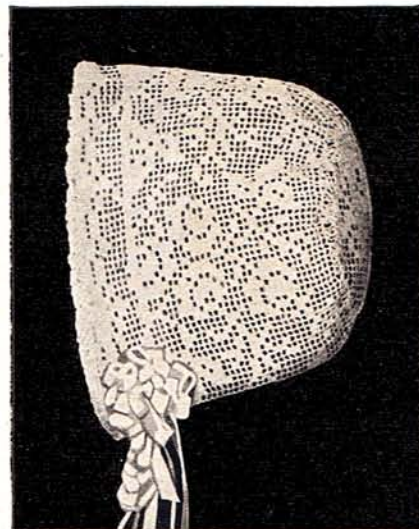

Picot, with single crochet

A **Picot** is most neatly made by working a chain of three for small one, or five for large one, then insert the needle downward through the two loops of stitch previous to the chain, draw thread through (2 loops on needle), hold these and work the next st (be it single treble or other stitch), drawing off the last three loops as one. This holds the picot down firmly to the work and prevents a stringy or loose effect.

Treble Crochet (tr.). Having one loop on the needle, throw thread around the needle, insert the needle in the stitch directed, draw working thread through this stitch, making three loops on needle, draw working thread through two loops and then through the remaining two loops. Three chains equal one treble in measure and in count.

Spaces (sp) are the open meshes of filet crochet. To form a space, make one treble, then chain two, skip two stitches of previous row and make another treble. This should result in a perfect square, but perfection requires persistent practice as well as the correct sizes of needle and thread. For a space at the beginning of a row, chain five, which allows three for the treble on the edge, two for the usual chain at top of space.

Blocks (bl) are formed by working trebles in adjoining stitches for the required number. Where blocks are consecutive there are four trebles in the first block and three trebles in each following block. Therefore, to find the number of trebles in a row of blocks, multiply the number of blocks by three and add one; in two blocks there are seven trebles, in three blocks, ten trebles, etc.

"ROSY POSY" CAP

This dainty rose design would make up into a lovely very best cap for Baby, if worked with Clark's O. N. T. Mercerized Crochet, size 80 or 100, and Clark's O. N. T. Crochet Needle, size 14.

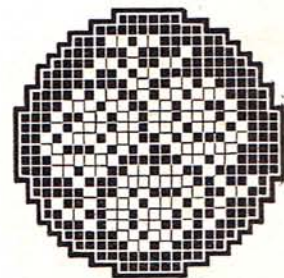

Begin the back on a chain of 22 and work 6 sp.

Row 2. Ch 10, 2 sp on ch, 6 sp over 6 sp, add 2 sp (see page 3, row 2).

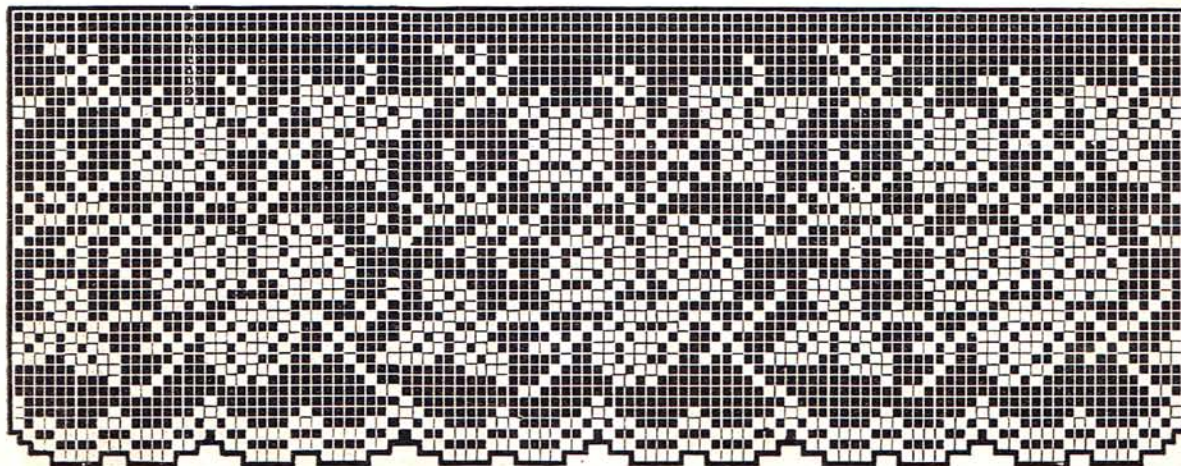

Row 3. Ch 10, 2 sp on ch, 3 more sp, 2 blk, 1 sp, 1 blk, 5 sp (2 widened). Continue, following pattern.

The front is begun on a ch of 121. Work 8 sp, 3 blk, 6 sp, 1 blk, 3 sp, 1 blk, 8 sp, 3 blk, 3 sp, 3 blk.

Row 2. Ch 5, skip 3 ch, 3 tr (widen 1 blk), 1 sp, 1 blk, 1 sp, 1 blk, 2 sp, 2 blk, 4 sp, 2 blk, 3 sp, 1 blk, 9 sp, 2 blk, 1 sp, 1 blk, 8 sp. Continue following pattern. Join the two pieces by fastening the thread in one corner of the second row of the back piece. Ch 5, s st in first row of front, ch 5, s st in next row of cap. Continue, working once in each row of front and twice in each of two sp of back, once in the next back sp and repeat. The first row and widened spaces of the back form the neck edge.
